The Cause...

Our Foundation's mission is to provide financial assistance to Summit Pacific that enhances health and wellness in the community. Proceeds from this event benefit the hospital district and the community at-large through the purchase of state-of-the-art equipment and facility upgrades to enhance our patients' quality of care. This year we are focused on supporting our youth through scholarships and other programs.

100% of the proceeds from today will go towards our Community to fund areas such as:

- Scholarships for local students who want to pursue a career in healthcare
- Programs focused specifically on women's healthcare needs
- Our Patient Assistance Fund to assist low-income members of our community
- Healthy cooking and nutrition classes and education programs!

Don't forget to have your team photo taken!

Thank you to our volunteers for capturing lots of photos from today's event. Digital team photos will be available for download after the event!
