

2026 PEAK WELLNESS FAIR

EVERY STEP MATTERS

Saturday, September 19, 2026 | 10:00 a.m.–2:00 p.m.

Summit Pacific Wellness Center | 610 East Main Street, Elma, WA

The Peak Wellness Fair is a free, all-ages community event that brings together local organizations, businesses, and community members for a day of **fun, education, connection, and wellness**.

This year's theme, **Every Step Matters**, celebrates the idea that better health is built through small, intentional actions.

- Making a preventive screening appointment matters.
- Taking the dog for a walk matters.
- Learning something new about your health matters.
- Trying a new activity matters.

Every Step Matters.

WHAT WE'RE LOOKING FOR

We're looking for exhibitors who can **educate, engage, and inspire** attendees. Think beyond a traditional information table! Interactive booths, demonstrations, activities, and experiences are encouraged.

Ideas include:

- Mini wellness services or demonstrations
- Health screenings and educational activities
- Hands-on games and challenges
- Product samples or healthy snacks
- Wellness giveaways or prize drawings
- Activities for children and families
- Information about your organization's services and resources

NOT A "HEALTH & WELLNESS" BUSINESS? That's okay! We want you here, too.

Wellness looks different for everyone, and this year's theme is an opportunity to show the community that healthy living can happen in unexpected places.
