Summit Pacific Responds to City of Montesano's De-Annexation Request

(ELMA, WA) –Summit Pacific Medical Center is committed to caring for the residents of Grays Harbor County and is dedicated to its vision to “build the healthiest community in the Nation.” To achieve this vision, Summit Pacific relies on countless community leaders and partners.

Summit Pacific understands Montesano's desire for a visible healthcare presence in their community and is aware of the ongoing discussions between the City and Public Hospital District #2, which include possible de-annexation and/or finding an alternative healthcare provider for its community.

Summit Pacific's CEO, Josh Martin stated “As always, we are committed to working collaboratively with all parties involved to preserve and enhance healthcare services in Grays Harbor. It is important that we all work together to serve the residents of our county.”
