

 SUMMIT PACIFIC
Medical Foundation

About Summit Pacific Medical Foundation

Our mission is to work in partnership with Summit Pacific Medical Center, providing support that enhances health and wellness in the Grays Harbor community.

The Foundation is an independent 501(c)(3) non-profit organization, governed by a volunteer board of directors. Since its establishment, the Foundation has worked to raise money through donations, grants and special events. Proceeds benefit the medical center and the community at-large through the purchase of state-of-the-art equipment, facility upgrades, support care for low-income patients, community education programs, and much more.

Why Sponsor a Summit Pacific Event?

Donors to Summit Pacific Medical Foundation create hope, health and healing for our community. When you sponsor a Summit Pacific event, you are stating publicly that our community deserves access to top-quality health and wellness resources. Further, each event is tailored toward a different demographic, allowing you to share this message in a way most meaningful to you.

The Future of Health and Wellness!

You can make a difference in the health of our children, community, and generations to come by supporting the Foundation's efforts to fund new equipment, facility upgrades, and innovative programs. Supporters of the Campaign for Community Wellness have been instrumental in bringing the 60,000 square foot Wellness Center to life. This building has already hosted more than 34,000 patient visits in 2023.

But the work is not finished, and we need your help...

How Do We Recognize Sponsors?

In the following pages, we have highlighted the benefits of sponsoring each of our signature events. Sponsorships are a major part of what makes it possible for us to host these events every year. Please feel free to contact us about customizing your package if there is something you would like to try that is not listed.

We also understand that every donor has their own preferences regarding the type of support provided. For this reason, every gift to the Foundation, regardless of type, is credited to the donor. That is, whether it is an outright gift, a pledge of future gifts or the deductible portion of an event sponsorship where the donor is already receiving recognition, all of your gifts will be counted in calculating the recognition levels.

We hope you will consider sponsoring one or more of our events in 2024, partnering with us to build the healthiest community in the Nation.

Foundation Funds

The Foundation is committed to helping Summit Pacific Medical Center achieve its vision of building the healthiest community in the Nation. This is no small feat for our organization, but we like to aim for the stars.

New Equipment & Construction

All monies donated to this fund go to Summit Pacific Medical Center (Grays Harbor Public Hospital District No. 1) to purchase new equipment and fund necessary construction and remodeling projects.

Student Scholarship Fund

Summit employees and community members contribute annually to a scholarship fund to promote the education and integration of local high school and college students entering healthcare fields.

Greatest Need General Fund

Donors to the Greatest Need General Fund create hope, health and healing for our community and all those served by Summit Pacific Medical Center. The Greatest Need Fund is unrestricted, which enables the Summit Pacific Medical Foundation Board of Directors (in coordination with hospital leadership) to act quickly on immediate needs. This fund offers a flexible source of support. Your gift goes directly where help is needed the most.

Patient Assistance Fund

Our Patient Assistance Fund provides patients with the medications and travel expenses they need, but are not always able to afford. Additionally, the Comfort for Kids program provides stuffed animals and stickers to our youngest patients to help calm them and make the hospital a less scary place.

Employee Assistance Fund

The Foundation's newest fund aims to provide one-time grants to Summit employees facing exceptional personal hardship. While FMLA assists with necessary family leaves of absence, this fund specifically provides relief for staff .5 FTE or greater in good standing who have experienced a medical emergency, an accident or loss of home due to natural causes requiring the employee to take time away from work.

17TH
ANNUAL

Ride the Harbor: Tour de Wellness

August | 7:00 a.m. | McCleary to Westport

Now in it's fifth year, the mission for this event is to provide Grays Harbor County an opportunity to get active in a safe and supportive way. This one-day cycling event is the perfect ride with a team or as a personal challenge and is open to ages 16 and up, with three separate lengths for beginners to pros. This is NOT a timed event, so we encourage you to challenge yourself to a distance that makes sense for you and demonstrates your commitment to helping build the healthiest community in the Nation, right here in Grays Harbor. To date, we've had more than 500 riders participate in RTH.

Peak Health 5k Family Fun Run & Walk

September 14th | 8:00 a.m. | Summit Pacific Wellness Center

Our Peak Health 5k Family Fun Run & Walk is now in its seventh year and continues to grow in popularity. Nearly two hundred people pre-register for this event every year — excellent representatives for the northwest active lifestyle! Rain or shine, this event encourages people of all ages and fitness levels to enjoy getting outdoors together. Showcase your company name on the t-shirts that are worn again and again all over town, or leave a lasting impression and have your name go out on all communications about this event, on the medals, bibs or the after-race goodie bags.

Donate towards a Holiday Meal Pack to feed
a family in need this holiday season.

Sponsored by

Summit Fights Hunger: Holiday Meal Packs December 18th & 19th | Summit Pacific Wellness Center

Summit Fights Hunger provides holiday meals for our patients and community members who could use a little assistance around the holidays. Families are nominated by their Summit Pacific care team, and the Elma, McCleary and Satsop School Districts.

Your sponsorship dollars go towards providing nutritious food options for the meal packs, as well as reusable bags for transporting the meals. We welcome you and your team to help sort and pack the meals along with our staff volunteers. While Summit employees have the opportunity to donate to this program, your sponsorship dollars ensure that every family nominated receives a meal. Any extra food items not distributed to patients are donated to our local food banks.
