

## EMPLOYEE GIVING CAMPAIGN

### ABOUT THE CAMPAIGN

For most of us, our work is more of a calling than a job. We are passionate about caring for our patients and providing exceptional health care to the community.

Summit Pacific Medical Foundation's Employee Giving Campaign asks you to support your passion for our healing mission with a gift to benefit our patients, programs, equipment, expansion and co-workers.

### WHY GIVE

We know the spirit of giving is strong here and our employees are passionate about supporting the life-saving work that happens here each day. That's why we are asking you to make a gift to support the Foundation's Employee Giving Campaign. Your gift says you are personally invested in our mission.

This is the only fundraising campaign that directly benefits our patients, our hospital, our clinics and our staff initiatives. You can see the powerful impact of your gift at work each day.

### GIVE TO YOUR PASSION

What matters most to you? It might be your work area, it might be the future of healthcare in this community, it might be putting a smile on a child's face or something that has had a direct impact on you or your family. Whatever it might be, you can give to what is important to you!

### THE POWER OF \$5

If every employee gives \$5 per pay period to the Employee Giving Campaign, we would raise nearly \$30,000 a year! That is a powerful number to share with our community and other granting foundations to inspire their support. Make a donation of \$5 or more a pay period and see the impact you can make.

### ➔ HOW TO GIVE

- 1 Turn this page over and complete the pledge form. Choose a payroll deduction commitment or a one-time gift. Be sure to designate your gift!
- 2 Return the pledge form to the Foundation by Wednesday, June 22<sup>nd</sup>. This can be done via interoffice mail, email, or regular mail.
- 3 Enjoy the feeling of giving back and support our mission of advancing access to quality healthcare.

**100% of your donation stays here!**

**100% is tax deductible!**

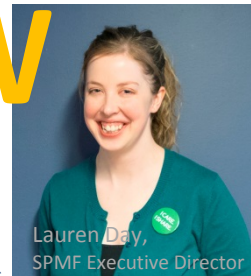

**100% makes a difference!**

**Your gift helps the Foundation give tens of thousands of dollars each year to SPMC. This money helps SPMC fund items above and beyond what can be done through the budget process. Donations from employees are more important than ever to continue providing exceptional health care services.**

# HOW

## will my gift make a difference?

*Every day I witness the power of foundation gifts. Whether it's providing staff the means to tell a patient not to worry about the cost of a prescription, "we'll take care of it," or seeing patients being cared for and diagnosed with one of the many pieces of equipment the foundation has purchased, I'm reminded daily of our impact thanks to the generosity of our donors. Please give to Summit Pacific Medical Foundation's Employee Giving Campaign.*

Lauren Day,  
SPMF Executive Director

*"The SPMC staff has such passion for community and family. I give because I share those values and I'm part of that family." – Shannon Brear, Executive Assistant*

*"My family gives because we believe in the future of SPMC. As a father it's nice knowing there is fast access to quality care here in our community" – JJ Painter, Network Administrator II*

*"Because I know the funds will be used to directly help our staff and support our patients. Every dollar makes a difference at Summit!" – Renee Jensen, FACHE, CEO*

*"I contribute because I feel that every individual who comes into our facility deserves the best medical attention available!" – Sylvia James, DI Assistant*
